PROFILE

Passionate frontend developer with over six months experience in front end mobile app development for multiple platforms. Seeking to use proven skills in JavaScript and dart/flutter to meet the company's business needs as well as to improve my capabilities. as a software developer.

EDUCATION

Bachelor of Science in
Electrical/Electronics

EXPERIENCE

SOUND ENGINEERING

From 2019 to 2020 | Crystal Sounds

Worked as a junior sound engineer for the company. I was dedicated to my responsibilities in the area that corresponds, delivering the best results for the company and improving productivity

MOBILE APPLICATION DEVELOPMENT

From 2020 to 2021 | Fiverr platform

- Analyzed user needs and proposed design software solutions to meet them.
- Collaborated with a small team of software developers to ensure that the clients' expectations were met.
- Assisted in maintenance of mobile applications.
- Committed code to GIT and created 25+ code reviews.
